To,

Ms Aarti Wadhwani

Federation of Cuffe Parade

Subject: Request for Awareness & Branding Collaboration with RenalEase

Dear Ms Wadhwani

Greetings from RenalEase.

INTRODUCTION

RenalEase is a premium 360° home healthcare company specializing in delivering hospital-grade dialysis services to kidney patients in the comfort and safety of their homes. Our comprehensive care ecosystem also includes Home ICU setup, nutritional counselling, physiotherapy, and regular MBBS doctor visits.

RenalEase and its founding team have been featured on **Shark Tank India**, **The Better India**, **BBC**, **NDTV**, and several other reputed media platforms for pioneering patient-centric kidney care solutions in India.

To learn more about us, simply search for *Shashank Moddhia* or *The Renal Project* online, or visit www.renalease.in.

REQUEST

With the objective of increasing awareness about advanced home healthcare solutions among individuals and families who may benefit from our bespoke services, we would be grateful if the Federation could consider providing us an opportunity to be featured through your platform in any format you deem appropriate.

We believe that many of your members, their families, or someone within their extended network may find comfort and value in knowing that high-quality dialysis and supportive medical services can now be safely delivered at home.

As a gesture of appreciation towards members of the Federation of Cuffe Parade Veterans and those referred through your platform, RenalEase is pleased to extend the following exclusive benefits:

Exclusive Privileges for Federation Members

1. Waiver of Security Deposits
2. 8% discount on Home Haemodialysis services
3. 12% discount on Home Hemodiafiltration (HDF) services
4. 15% discount on Home ICU Setup services
5. One complimentary additional MBBS doctor's visit every month
6. Access to our dedicated 24x7 customer support line, ordinarily reserved for international and medical tourism patients

We would be delighted to discuss this further and explore how we may support the healthcare needs of your members and their families.

Warm regards,

Shashank Moddhia
